

861. PARCELS OF TOBACCO, FOR TROOPS SERVING OVERSEAS

The Treasury announce that small parcels of tobacco, cigars, or cigarettes weighing not less than 4 ozs. may be sent by post free of United Kingdom duty to members of H.M. Forces serving abroad.

Those who wish to send a parcel under the arrangements should give their order, with the

requisite address, either to their tobacco retailer or direct to the manufacturer, who will pack, address and post the parcel. These will be delivered free of local Customs duty.

These arrangements do not apply to India, Egypt, or Burma. Most of the good English brands of cigarettes can be bought in these countries at reasonable prices.
